Moving On

Everyday Life gets harder for us to go on.

Without seeing your face, we are just

Grateful for the time we had.

Dear Brother you've gone to a better place.

Up in heaven you are now safe.

You may be out of sight,

But not out of reach.

In God's loving arms you are at rest.

You've moved on to a better place.

Far and beyond we are keeping the faith,

We are running the race

Till God calls us home.

With you my brother far and beyond.

Joyfully Submitted
