

Adrian O'Brian Moye

January 29, 1982 - June 22, 2015

Adrian O'Brian Moye was born on January 29, 1982 to his parents Doris Ann Moye Carlton and Alonza Price. He departed this life on June 21, 2015.

Brian joined the Phillipi Church of Christ at an early age.

Brian attended the Pitt County School System and graduated from J. H. Rose High School in 2001. His love for sports (baseball, basketball, football) enabled him to receive a scholarship and matriculate at North Carolina A & T University where he graduated with a bachelor's degree in both Business and Liberal Arts.

Brian's life changed forever with the arrival of his son, Jason Moye (mother) Elizabeth Pertz. Anyone who came across Brian knew his love for his son is what drove him to succeed. In 2011 that love grew stronger when he married Tanza Christie and with Xavier became the family Brian always wanted. Brian loved many things but nothing more than his family.

Brian was employed with Liberty National Life Insurance Company as an Insurance Agency Director for two years and was very passionate about his profession. Brian was very outgoing and the life of any party. He was a music lover and as aspiring artist. He valued building relationships with family and friends.

Brian was preceded in death by his brother Demetrus Moye.

Brian leaves to cherish his precious memories, his loving wife, Tanza Moye; his sons, Jason and Xavier; his mother, Doris Carlton (Michael); his father, Alonza Price; his siblings, Miles, Kristan, Whitney, Koki (Heather), Jarian, Aaron, Tim, Tabettha, a host of aunts, uncles, nieces, nephews, other relatives and friends.

“ *My first cousin words can't fully express how I feel about this tragedy but I found peace in my heart by knowing that you were an angel that had finished his job on earth. You were loved and respected by the young the wise and the old. What an overwhelming abundance of joy I feel when I think about your smile and playful spirit. Yes I wanted to be selfish and say well maybe if someone had went out and looked for you perhaps you would still be here but the non selfish side of me says it was your time and our God makes no mistakes for he needed you at that time at that hour. With many tears of joy sadness but peace and solace Brian I love you and you will be missed in your name we will dance because we know that you loved music!*

“ *It is rare to meet an all around great guy and I can say Brian was one. He loved his family, he was nice with the sports, and he was lyrically creative on the mic. You will be missed and I send my love and prayers to all the family members and friends you left behind.*

“ Open Letter to you Brian,
Where do I start? We have created so many memories over the years. It will last me a lifetime. Just to think, I saw&talked with you Saturday. As always, We were so glad to see each other. I will never forget your smile, golden heart and whitty personality and the Love we shared of music! Yes, You are a Classic Man! I was there for you when your brother Demetrius died &You returned the favor coming all the way from Greensboro when my Sister Nikki died. So I will now return the favor & Always be there for Whitney!

We could NEVER agree to disagree in our disputes on who was the BEST... Conley or Rose, Carolina or Duke, The 49ers or the Cowboys! This weekend that will be put aside as the Rampant&Viking Nation come together and CELEBRATE your life. You touched so many lives! I know that you will live FOREVER in our hearts. I've reflected on the good times we shared at Dot's and how I used to say

"Brian, I ain't coming to the Woods (Moye wood) and see you and sit on no porch" But I did. Those were some good times!!! Or when I would stop by Alonzo in Rolling Meadows and just have a good time.

After your brother passed away, You said... Trina, My Mama loves that song...

My Sunshine has gone but I am going on to make my Mom Proud. Brian, You did just that!!! (Aggie Pride)

My heart is broke! I am constantly praying for Mama Dot, Alonzo, Your son Jay, Your Beautiful Wife, Whitney and Shannon.

I am DISGUSTED that I will no longer here your voice, Get a Text or Meet Up.

God said that the race was NOT for the swift but to the one who endures to the end!

You won this race! You finally beat me at something but we will CROWN him together!

God, Promised us all in his words that He will never leave nor forsake us & not put more on us than we can bear. Today, I am

standing on his promises... Holding on to his words. I have never questioned GOD but I have asked... "Lord, Why so much pain?" Death is not the end for someone you love because MEMORIES last a lifetime.

Your work here was done. You ended this story beautiful & I know that you will live again. You came to the place on Earth that you loved best for one last time (252) dressed in all white. (Angelic) Our hearts are broken but GOD proved he loved you best. Enjoy your new Mansion

Over in Glory! Dance on the streets paved in Gold, and Enjoy the place where there is no more dying or pain.

I love you in life and death! Forever Friends!

"I strive with Viking Pride & today I hear the Roar of the Rampants"

Respectfully Written,
