“ *Ray was always a good friend to me when we were in school together. I'm very sorry to lean of his passing. He used to call me "Adam 12". I will always fondly remember him and am greatly sadden to hear of his death.*

“ *Very sorry for the loss of Albert. I went to school with him and played ball and had many talks. He was a very kind person to everyone at school. From the class of 1978 our class and myself lift your family up in prayer. I wish I had known earlier I would have attended our friends life ceremony. GOD BLESS*
