“ Alma was my stepmother. Alma was a firm but loving stepmother. My mental space when Alma passed away was unhealthy. It was very difficult to know that she had left this earth. It was to early. It was painful. It was unfair. I love you Alma. Rest In Peace. I know I held on to long but it was hard to let go.

“ *Alma Faye ...There's a very special garden,
Where the trees of memory grow,
Nurtured by the kindness, And concern that
good friends show, the roots are cherished
memories Of good times in the past.
The branches tender promises that souls endure and last.
It's a place of peace and beauty, Where bright new hopes can start.
It's memory's lovely garden That soothes the hurting heart.
What moves through us is a silence, a quiet sadness, a longing for
one more day, one more word, one more touch, we may not
understand why you left this earth so soon, or why you left before
we were ready to say good-bye, but little by little, we begin to
remember not just that you died, but that you lived. And that your
life gave our family over 55 years of Tillery memories too beautiful
to forget.*
