“ *We are sending prayers and our deepest sympathy to the Leathers and Brown families. I had not seen Alton in several years but the last time that we saw each other, Alton was full of joy. We laughed and hugged each other as if time never lapsed. I will always remember Alton's compassion for others and his genuine personality. He will be forever missed.*

“ To Mike and Kaye families. I was sorry to learn about this loss. May God grant your peace, strength and comforts during this difficult time. I have several memories of Alton growing up as my next door neighbor. He was always around his brothers, sisters and parents quietly serving his duties or playing. My deepest condolences.

“ I remember days stopping Missionary Dorothy Browns -house & Alton would be adding the finishing touch to there dinner. Which he had prepared for the family. I had a chance to taste some of his creative dishes from time to time. Then go home and try to make the same dish. I believe he kept the secret ingredient. Because it didn't taste as good as his dish. I also remember holding conversations with Alton and hearing him say Sister Edna; what you think about this. The Newport family are praying for the entire Leathers & Brown family members. Asking That God will comfort y'all and help y'all to remember the good times shared with Mr.Alton M Leathers..
