“ Praying God's comfort and peace for Andrea's children, mom, sister, family and friends! Also praying for our Southeast Elementary school family of which Andrea was an amazing and loving part! Of all the years and memories that come to mind, her LOVE for the children outweigh them all! Teaching was more than a job to Andrea, it was a "God calling" upon her life! Family may you be comforted in knowing that she planted so many positive seeds in the lives of children, some who are now young adults, in the Kinston communities. Take your rest, Andrea, for your "works" truly speak for you! 🥹🙏

“ In loving memory of our beloved classmate, Andrea “Head” Whitfield, the Kinston High School Class of 1996 wishes to express our deepest condolences and heartfelt sympathy to her family and friends.

Andrea was more than just a member of our class; She was a cherished friend, an inspiring presence, and a testament to kindness, resilience, and joy. She was definitely a Prayer Warrior and Role Model. The moments we shared in the hallways, classrooms, and gatherings of Kinston High School remain etched in our hearts as we remember Andrea’s laughter, unique smile , and the genuine connection she had with everyone.

As we come together in this time of loss, we hold onto the memories that made Andrea a vital part of our journey and community. May we all find comfort in knowing that she made an indelible mark on our lives and will be fondly remembered by all who had the privilege to know her.

Our prayers and support are with the family during this difficult time. Andrea’s legacy of warmth and love will continue to live on in the hearts of the Kinston High School Class of 1996.

“ Ms. Andrea truly was a gem...I will never forget how kind she was to me when I first started my babygirl at the daycare; she gave me comfort in knowing that I made the right decision. She loved all of the babies as if they were her own; she will forever be missed. Rest easy Ms. Andrea. With love, Brittany and Geneva (Gigi)
