“ I have never even met Deacon Angel in person before. I've had the pleasure of speaking with her being that I'm an echurch member at KCC. She comforted me and supported me during some very tough times. Hearing of her passing has been heartbreaking so I can only imagine what those are going through who actually knew her well. I send my condolences to her family and friends, and I hope to be as impactful and inspiring to others as she was to me.

“ *Im still in disbelief that you're gone. I remember when u lived down the street from my grandparents . My sibilings & I use to act like we were afraid of Kino 🐶 getting off the school bus. we would run just so he could chase us down the dirt road. you would come out the house fussing at your 🐶 😭. I will miss your hugs and that beautiful smile. You watch us grow since Elementary school to young adults . You always called us your babies ❤️ you was a true inspiration 🏆 from riding your motorcycle 🏍️ driving 18 wheeler trucks, skating, & most of all your love and good advice you always shown and gave us. You will be missed Beautiful 🦋 🦋 🦋*
