“ My thoughts and prayers go out to the Daniels family. Arthur was a elementary classmate of mine at G.R. Whitfield School. I will always remember the fun we had our first 6 years of school before he changed schools. Although we had lost contact I will always consider him a life long friend. Rest in peace my friend. “ My thoughts and prayers go out to you Vanessa and the family on the passing of Arthur. I worked with Koot (as I knew him) at East Carolina Masonry for 12 years. He was a special man to me. Always had kind words to say. Even though I worked in the office and rarely got to see him and the other men, but when I did, he always made it a point to stop in and have a conversation with me, to see how I was doing, asked if I needed anything or just to chat about things in general. Even being away from work I would see him and he would always give me that smile and stop and chat. He was a kind, gentle, loving soul. While my heart breaks, I know he is with God and looking down upon us smiling. I will miss our conversations, his laugh, and his smile. RIP my friend.

“ Coot will be missed dearly. He was a dear good friend. He would always tell me that I was like a big sister to him. The laughs we had while he visited and we as a group of friends would hang out will always be remembered. My heart goes out to the family and know that you are thought of.
