“ *To the family members, I want to extend my deepest sympathy in the loss of your dear loved one, mother, grandmother, sister, and many nieces and nephews, as well as cousins to say: although the loss is heart breaking but to know that the presence of your loss will forever be in your hearts, minds, and souls, each day as you wake to know that she is in a resting state of mind with the Almighty Father God, in Heaven. The tears you will shed will be the tears of so much joy just knowing that you had her in your lives for so long to cherish every moment. So! look up and know that the Lord God Almighty, had another plan for her so, that is why He, called her home to rest.*
