“ Barbara, I remember you and Angela were our (Poonie and Tootsie) best friends, when we lived, “Over The Hill.” We got older, but we remained friends. I will never forget, how Janie Lee put you in that trash bag and almost suffocated you. I knew right then what a plastic bag can do to you. We had the best of time! Now, it is time for you to rest, no more pain. God bless your family and stay strong. Love you always, Sharon Shephard, AKA Poonie.
