“ *To Barbara's Daughter/Son-in-law in North Carolina, I met your Mom during the pandemic while walking the dog, we would stand and talk and she would leave me a care package in my mail box when she did not see me outside. She will be truly missed and we are so very sorry to hear of her passing. Our prayers are with you and family at this difficult time. Peggy Slade*

“ *To the family, grief can be so hard, but remembering the good times ya'll shared together will help ease the pain. Barbara is a people's person, she never met a stranger. Barbara will talk to you as if she had been knowing you forever. I will truly miss her at family gatherings. God have you in his arms and I have you in my heart.*
