“ *I've known Ms. Roberson for many years and she was a wonderful human being. She was extremely articulate before she got sick and would engage with you on just about any subject. She was well versed—and had a laugh that was infectious. She lived a long and productive life and will be missed. Our thoughts and prayers are with the Family.*

“ My thoughts and prayers are extended to the Roberson family during the passing of Sister Berdie. I was privileged to serve as her pastor for a number of years at Cedar Grove Baptist Church. After leaving, she continued to be supportive. May you be comforted by God's presence, power, and promises during your time of bereavement.
