“ *I has the honor of knowing Mrs. Laughinghouse through her son, Edward. Both of us were working at the Greenville Police Dept. at the time. She was a very pleasant and loving lady. It was an honor to have known her. May God be with the Laughinghouse family today, tomorrow, next week, and the months to come and give them PEACE!! Butler & Shirley Lewis*

“ *Earl and family, I pray for strength and peace for you. The last time I saw you was in Walgreens, and we talked for a long time. I think you were the best cook WBJ had. God be with your family as you take your next step in your journey. I am so fortunate to have met you and your beautiful smile.*

“ My aunt, Ms Betty Sue Laughinghouse was a loving, caring & gracious lady who I enjoyed engaging in conversation. I left North Carolina in 1981 to join the military. I periodically made a visit to North Carolina during my military career. When I made a visit, one of the things on my list was to go by & visit my aunt Betty Sue. We always stayed in touch by talking on the phone. I will miss those times we shared together. My aunt Betty Sue has been called home, she's gone, but not forgotten. She will undoubtedly be missed. May she Rest In Peace.

“ I will miss you.... Long after Pam was away... We became friends. You fed me... Checked on me.... Counseled me.... I will never forget your kindness..... You taught me how to to make butter beans and biscuits.... Collards... Neckbones.... My memories of you are heartfelt and sincere... Just like losing my mom all over again... My condolences to the family... You will see her again. Take comfort in that... Until then remember.... Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. Cherish the memories.

“ Sending love, and sympathy to my friend and classmate, Pamela Laughinghouse Smith, and family during this time of bereavement. The loss of a mother is something that mere words can never fully describe. Nevertheless, the love of God, HIS comfort, and endless sweet memories are the healing balm which can ease the pain, as you face the days ahead without her. I was blessed to spend time during my youth with Ms. Betty, and feel the loving warmth of her personality, and smile. She will ALWAYS remain special to me, and the joyous times in her presence. I find comfort in knowing that her absence from the body means that she is present with her Lord... .Sleep peacefully and reap the Heavenly rewards of your earthy labor. I WILL FOREVER LOVE AND REMEMBER YOU.

“ May you be comforted knowing others are thinking of you and praying God's peace during this time. The death of a mother is overwhelming! BUT the grace of God and the Holy Spirit will sustain you in the coming days, weeks, and months. It is very true, "Earth has no sorrow that heaven cannot heal."

“ *My favorite memory, eating those collards!!! We spent lots of days watching those old westerns, eating not only collards, good ole neck bones and cornmeal dumplings!! We often talked about you growing up, the generation differences, family talk, good and bad. Out of the talks, you expressed your love for God, your children, and your extended family. I miss those talks. May you rest in peace. I will keep our memories in my heart and think of you often. I Love You Auntie ❤️.*
