“ *Missing you daddy. I know you want us to smile keep going on and as you always say be sweet. I'll always remember your smile,humbleness,and you calling not just one of us baby doll but all of us. You telling me I'm late or slow like moma. I'm in tears as I write this because you're not going to see as you call him 'little brown baby' or hold him again. Since you've been gone he's talking a lot smiling and looking up at the ceiling as if you're playing with him. I wish I had more time with you that's what I really want. Sleep in peace daddy . From one of your baby dolls.(Edna)*
