This was my baby brother. Words can not express how I am feeling and how forever my life has changed. I will never hear him say "there goes Lil bit" again. I wont get the opportunity to tell him I Love Him anymore, see his smile and wait for the phone call when Dallas and the Redskins play. My heart is crushed and Thanksgiving will never be the same. BUT GOD don't make any mistakes. Sleep in his presence until we meet again. Be the Angel watching over us from day to day. You and Newton get to hangout like you did before he left us on May 5th. I love you! & I miss you!
