“ *Tracy, Ursula, Latrell, and La'Toya,
Thoughts and prayers are with you all as you begin life like never before. Some days you will think of your mom and laugh about the good times and sometimes you will be crying because you need a motherly hug. Know that I am praying for you, that God will give you strenght to endure as you begin this new life. Always remember that God knows best and he truly called an angel home. She will truly be missed. I love you all and miss you dearly. If no one else knows where you are, I truly do because your beautiful mother sung at my mother's (her friend's) funeral 18 years ago and I still miss my mom just as much today as I did over 18 years ago.*

*Love always,
