“ *Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that wher I am, there ye may be also. And whither I go ye ' know, and the way ye know. Family, Hang in there! Uncle Dank was my great Uncle! We all loved him, but Our God loved him more! RIH, Uncle! Now you can hear all of your peaceful sweet music! Thanks for all your encouraging words. Your sweet great niece, from Va. Baby! Florine as Aka Flo! ❤️🌹💋*

“ I would like to send condolences to my family. Uncle Dank was my great great uncle. I am loss at words on expressing how much I am going to miss him and how much I loved him. He was the most vibrant person I have ever seen at his age. I used to always ask how many children he had. His mind was very sharp. He could tell me exactly how many children, grandchildren, and great grandchildren he had. He always had a smile on his face. He loved being around his family. When someone was sick in our family, he was there to visit them. We loved him also. The family reunions are going to be different without his presence but I will cherish all of the memories of him at the past family reunions. I say to my family Uncle Dank's job here is well done. God will never leave us nor forsake us. I will continue to pray for you all. I love my family.  
God bless,

“ *To my family.  
I am saddened to hear of my Uncle Dank's passing. He was my only living uncle who I love dearly. He had such a happy spirit whenever I saw him. I have so many loving memories of him to last a lifetime. One thing I can say about him is he loved his family. Whenever something happened in the family, he was always there. I will miss seeing my uncle especially at the family reunions. I say to my family please continue Uncle Dank's legacy of family unity. Please hold on to God's unchanging hand. I love you all and will continue to pray.*  
Love,  
Irene(Bunnyboot)

“ To my family. My great uncle Dank is dancing with all those gone before in the streets of Heaven. I always remember Uncle Dank visiting us in Norfolk and remember catching up at our annual family reunions, especially the one at my home in MD several years ago. He is and will be missed. Family, please lean on and comfort each other. I love my uncle and everyone very much. I will keep the family in my prayers.
