“ *On behalf of the Trapp family, I am sending my sincere sympathy to the Shepherd Family. Danny was not only my son's godfather but he was a true friend. He was my confidant, someone I was able to go to and talk to about anything at any time. He was hardworking, he loved his family and he loved the DALLAS COWBOYS! We could talk about them all day and night, whether they were winning or losing he stood by his team. For Danny football was a passion and I guess that's one of the reasons he encouraged and supported my son playing at an early age. From grade school, high school, college even to him playing in the semi pro league, Danny was right there in the midst . I pray that God will continue to comfort and strengthen the family and that God will keep his loving arms around my son. We have lost a great, loving, kindhearted, simply amazing and awesome young man. Danny you will always be in my heart and thoughts. Family continue to look to the hills from whence cometh your help. All your help comes from God.*
