“ Man, this is a TUFF one right here.... David Langley, you know when he talk to you, he calls your whole name out. We go way back from when y'all we're living down that hill in Ramhorn Rd. Your mom cooking that good chicken, you picking up Greg Briley and I taking us to Basketball practice. Then after High School, you introduced me to 427, Joe Wright playing Basketball and Softball bringing home Trophys after each Tournament!!!! To my cousin Kim and the rest of the family, and his siblings Ernie and Ann, David was a great athlete and a TRUE friend, I just wanted to say Thank you David Earl Langley, for keeping me in the loop for everything that was going on in Greenville and our conversations laughing at you and Kim at the Drive Through at Peadon's Grill. I love you Brother..... we will keep your Legacy alive. Rest easy Cowboy fan... Love Linwood, Donna, and Chase

Wow this hit hard! Pete which is what I called him was like a little brother to me. Before his illness he would always come to my mother's house to visit me when I came home. Pete was a great man who has left a wonderful legacy behind. He was larger than life and he always lived it to the fullest. I know he is gone , but may all his beautiful memories be a blessing to all who knew him. Praying the Lord will encourage his entire family with his Presence, Comfort and Peace, I love you all, and I know Pete is walking around Heaven.
