“ *Dear Ann, Remembering all of the great times that we had together in Raleigh and Oak City with your family who became my family, too. Now with Wallace's passing all of your immediate family have joined with you and the heavenly angels. In remembrances and love for my Parker Family this holiday season is one of great loss and sadness. I have truly missed our Sunday afternoon conference calls and recipes for the Christmas cookies you enjoyed baking. You are dearly missed by your second sister and will always be remembered. You will always be loved and remembered.*
