“ *DeeDee I only selfishly wish you were still here so tha thise of us who didn't get a chance to say we love you and see you later, could so one last time. Your entire family has always been a part of my family regardless of where we were located. You are such a sweet spirit and I am so sad that you are bo longer with us physically. 💔 Anna, Gina, Cortez..God got you!!! You have beautiful memories to hold on to especially when the days ahead get rough. I will always pray for each of you. I've been where each of you are and only God, good memories and continuous prayer and support got me through. Continue to love on each other while others around you, love on you*
