“ *To Alfrancis and family,
May the God we serve surround you and your family during this time and even the days ahead. We all were classmates and shared a lot of laughter and smiles during our school days. Even when we saw each other as adults it was always warm and with smiles. I am thankful for those times.
May it warm your heart to know that others care and praying for all of you
Sincerely

I bless God for allowing our paths to cross as church neighbors. I'll forever cherish the services, the warm greetings, singing and worshipping God together here on earth. Moreover, I look forward, with great expectation, to the day when we can hear Co Pastor's melodious voice singing and rejoicing with our Father in heaven. No more pain, no more suffering..only Peace, Joy and Happiness! Be encouraged my sister and family, we serve a MIGHTY God and He is able to comfort, strengthen and see you through this most difficult time of your lives. “ One of my favorite singers!!!! He could take any song, background singers or solo....and bring down the power of God! To the family, the blueprint for getting through this part of life is Jesus... the way to help heal the hurt is Jesus.... the guide you need to continue as a family is Jesus. You cant call his name and HE not show up. Celebrate his life with everything in you and let the holy spirit lead and direct you from now until the Lord returns. Love yall!!!!!!
