“ *My dearest mother, words cannot describe how I'm feeling right now. A life without you in it seems impossible. You always told me we are not here to stay forever and that we all have our time when we will depart this life. I know that you would want me to live my life to the fullest. I'm going to do my best to make sure my house is in order so we can meet again on that "great day at the sound of the trumpet". Thank you for being the best mom a girl could ever ask for and for being my best friend. Until we meet again my love.*
