“ My deepest and heartfelt condolences to her family. I met Mrs. Dorothy and her family over 20 years ago. I was her realtor and became her friend and she treated me as if I was one of her girls. She had a smile that could light up a room and she was filled with so much joy & laughter. She always embraced me and the conversation would be about our families. I will always remember the love and commitment to her family. I will miss our conversations. She was a precious jewel. Thank you for sharing her with us. Rest in Peace my friend!❤️
