“ *Sister Sonya, Bro. Jimmy and Family, please accept my deepest and heart-felt condolences for the loss of brother beloved. Often, this life is a mystery to us. Many times we don't understand why our lives are touched by loss. God knows, he sees, and he cares for us in such a special way. I know that both of you deal with death on an almost daily basis, but this loss is very different. May the God of peace, strengthen, lift you up, and give you memories of love in this hour of darkness. My prayers are with you both now and in the days to come.*
