

## Mr. Earl T. Brown

June 15, 1951 - February 20, 2016

Earl Thomas Brown entered the world on June 15, 1951 in Tarboro, North Carolina. Earl attended the public school system in Princeville and Tarboro graduating from W.A. Pattillo High School as an honor student and star basketball player. He worked in his free time on the local farms and in retail stores throughout the community. Recently he was recognized as an Outstanding Graduate from W. A. Pattillo High School.

He left Princeville to attend North Carolina Agricultural and Technical University in Greensboro, North Carolina where he received his Bachelor of Science in Mathematics and Computer Science. While there, he befriended Melvin and Thomas Johnson, who would later become his brothers in law. One of his many accomplishments was the computerization of the grading system at the college as a work study student. While at North Carolina A & T, he met and married his wife of 45 years Dr. Hazel J. Brown. Later he received the distinguished Alumnus Award from the University.

Upon graduating, he began his career working at Jefferson Pilot Life Insurance Company as a computer analyst. Shortly after the birth of Derek Keane, the family moved to Hillsborough, North Carolina and began working for North Carolina Mutual Life Insurance while Dr. Brown began her studies at the University of North Carolina at Chapel Hill School of Dentistry. While at North Carolina Mutual, he made lifelong friends in Richlean Tucker (Derek's

Godmother) and others.

With Dr. Brown graduating in 1978 from Dental School, the family came home to Eastern North Carolina. Earl began working at what was formerly known as Burroughs Wellcome where he worked tirelessly as a systems programmer for 20 years. Between working double and triple shifts, he found time to enjoy and participate in his son's education and sports activities, bowling, becoming an avid motorcyclist and pilot. He was known for traveling to Canada and beyond on his motorcycle as he explored the world.

Over the next several years Earl ventured into many different businesses and in the pursuit of his childhood dreams. His first childhood dream was to become a pilot like his favorite TV show, "Sky King". In 1980 he received his private pilot's license and soon opened a Charter Flight Service out of Greenville and Robersonville, North Carolina. During the business venture, he partnered with Gene Powell and family in the aviation business. He joined his brother in law, Thomas J. Johnson, Jr., and longtime family friend Lawrence Behr in the acquisition, procurement, and sales of radio towers and radio frequencies across the United States. Soon he and the family started HED Partnership that was responsible for the acquisition and management of residential and commercial properties in Pitt County. HED Partnership was converted to Brown Property Management, LLC which then expanded to Automated Teller Machines throughout Eastern North Carolina.

In the summer of 1988 he decided to pursue his second childhood dream, to become an attorney like "Perry Mason." He applied and was accepted at Campbell University Norman Adrian Wiggins School of Law. While in law school, he befriended his Professors J. Stanley McQuade and Richard Rogers. As interns with the professors he modernized the school with the development, implementation, and usage of computers in law in the aspect of research and data management. He was later recognized with Professor

Richard Rogers by American Bar Association for their endeavors. He made long lasting friendships with classmate attorneys Tim Joines, Cynthia Mills and Troy Stafford, Superior Court Judge Elect Jeffery Foster, District Attorney Seth Edwards and United States Magistrate Judge Kimberly A. Swank. During the summer of his 1st year of law school he had the opportunity to intern at Poyner and Spruill, LLP at their Rocky Mount office. During the summer of his 2nd year, he traveled to Guatemala and attended Universidad Mariano Galvez De Guatemala School of Law where he participated with the local missions in providing housing, water, and sewer to the local population.

After graduating Law School and passing the bar in 1991, he began his law career as a prosecutor in the 6B Prosecutorial District of Bertie, Hertford, and Northampton Counties with the elected District Attorney the Honorable David Beard. While there, he had the opportunity to serve as the Roanoke Chowan Drug Task Force Prosecutor and prosecute cases in District and Superior Court. He later joined the firm of Revelle, Bureson, Lee and Revelle, LLP in Murfreesboro, North Carolina before opening his own practice originally known as the Law Offices of Earl T. Brown, P.C.

During his practice, he had the privilege of working with and mentoring attorneys Mike Rizzi, John Ross, his son Derek, the Honorable Regina R. Parker District Court Judge, Demyra McDonald, C. Tyrell Clemons, and currently R. Matt Gibson. He served the local bar in various capacities including the Pitt County Bar President and Ethics Grievance Chair. He mentored local students and served as a motivational speaker for various schools throughout Eastern North Carolina. He worked with local agencies and charities including STRIVE, Inc. with Joyce Jones. He had a general practice that had the privilege of practicing in the local State Courts, the Court of Appeals and other Administrative Agencies and culminated with being sworn into the United States Supreme Court.

During the course of his life and practice, Attorney Earl T. Brown was recognized and awarded numerous times for his accomplishments in and out of the Courtroom. But his biggest accomplishment was being able to be there when needed, to listen and to encourage.

He was an original member of Macedonia Baptist Church of Princeville, North Carolina and later a member of Sycamore Hill Missionary Baptist Church of Greenville, North Carolina where he served as the Director of Transportation.

Attorney Earl Thomas Brown is survived by his loving wife and companion Dr. Hazel Johnson Brown, son Derek Keane Brown (Joni Marie); grandchildren, Austin Keane, Alanna Louisa and Myles Thomas; his mother, Anna B. Brown; mother-in-law, Annie B. Johnson; sisters, Ann Howell, Bettye Cobb (Clarence), and Vananza Brown; sister-in-law, Dr. Cynthia Johnson; brother-in-law, Melvin Johnson; his "brother" Fred Carr, and many aunts, uncles, nieces, nephews and cousins.

In lieu of flowers and gifts, please support and forward donations to the Earl T. Brown Charitable Fund so that his dream and desires to influence, inspire, and broaden the horizons of the Eastern North Carolina's youth can and will be continued.

“ *When I was younger Mr. Brown saved me out of the goodness of his heart, without reward or even me asking for his help. In a matter of 5 minutes of his time he helped change my life. After his help I turned my life around for good, I now have a loving wife and child, and have become a responsible and valued member of my community. I owe all my life to Mr. Brown's act of kindness on that day. He was a great and generous man, Greenville had lost a great deal today, but I have no doubt that the lives that he has touched will continue enrich Greenville for decades to come.*

“ I have long admired Earl as a colleague and as a friend. I have a wonderful photograph of Earl and Hazel at my 40th birthday party. More recently Earl handed me a videotape he had prepared at a celebration of my retirement as a lawyer. He was generous in sharing his time and talents with his professional associates and his friends. Earl was an example to us all as to how a lawyer should behave. I will miss him personally. “ *What a wonderful example of how to live one's life that Earl Brown showed us. I met him several years under under extreme conditions when he was representing a young man. His compassion for his client, and my best interest, made me realize that this attorney was very special. We resolved the situation to the betterment of his client and my total satisfaction without any issues. I knew Earl Brown from his involvement of the community but gained an ever deeper respect for him as a lawyer but even more so as a caring, compassionate human being who lived his life in an exemplary manner. I am blessed to have crossed paths with him...my prayers for the family and the Greenville community...we never see his likes again.*

“ Dearest Honorable Earl T. Brown-Esquire,  
No words can convey how my heart was shattered on Saturday.  
The Angels rejoiced, One of Gods Elect made it home! (To God Be  
the Glory)  
You were more than my personal attorney. You were my friend.  
There are so many countless times that you were there for my  
family & myself.  
You never forgot my birthday. This year you will be buried on my  
birthday.  
You never took up for me when I was wrong but told me what was  
right.  
You were my praiser and punisher.  
I could always call your office, your cell and you would handle any  
situation.  
I asked Mrs. Valerie, Who will defend me now? What will I do?  
I respected you so much because your yes was yes and your no  
was no.  
You were the epitome of a Father Man, Business Man and Steward  
of the community.  
I know that you would have won the judicial seat.  
Your smile could light the darkest night and I can hear your voice  
Telling me.. Trouble don't last always.  
Thank you for the friendship  
I will always love you  
Dr. Hazel Brown and Derrick Brown-God is our refuge and strength  
he will take care of you!

“ *RIP, my dear long-time friend. I will never forget how you mentored me in my early years at Burroughs Wellcome Co. as a 21 year old IT professional. I will always remember how you treated me like a little sister and went with me in 1984 when I was 23 years old to buy my very first brand new car, a red Nissan 300ZX, in rural Kinston to ensure I didn't get taken advantage of. You taught me how to drive my new car home because I didn't know how to drive a 5 speed. My heart is heavy right now. You would have been an incredible District Court Judge. RIP Earl T. Brown. and my prayers are with your family. Gabrielle Leonardz Harris - Durham, NC*

“ It has been a few days now since Earl's passing. I have had a chance to reflect on my relationship with him. Like many of us who mourn him, I have many memories of Earl. For the last 10 years he and I would razz each other about keeping late hours in our respective offices. I would pass by his office at night on the way home and see his car parked out front. He would see my car at night or on weekends--always we would laugh about who was working harder. And like many of us, I, too, had some serious conversations with Earl about our work, our families, our friends. Earl was a happy warrior. He fought fiercely against injustice in our community--he was a passionate advocate for helping our youth without regard to color, status or background. He wanted to educate the troubled youth whom he represented in juvenile court. He wanted them to know there was a better way for them. He was their friend and advocate. Earl was a teacher to many of us, who did not mind taking time to give you some pointers about how to speak with a district attorney or judge. He also was a student, who would take time to listen if you had advice. He was a happy warrior whose infectious smile could disarm anyone. I will miss you Earl. And when I pass by your office at night or on a weekend on my way home from my office, I will smile remembering you. Rest in peace, my friend.

“ I met Earl Brown around the courthouse in the early 1990's My first remembrance of him was in the Clerk's office passing out KK donuts to the clerks. . I noticed that every clerk on that floor stopped what they were doing to speak to Earl. The next week Earl was passing out donuts to the Register of Deeds office and again the same response. It didn't take me long to figure out that whatever Earl needed in those two offices they would stop what they were doing to assist Earl. Guess who was passing out donuts the next week and I began to get the same response. A kind word, a small gift, and a vibrant personality was the magic of Earl Brown. He was a great attorney and a better person. Prayers to the family especially Derrick and Dr. Brown. The world was a better place while Earl was here and his many acts of kindness will not be forgotten. RIP Earl.

*I met Mr. Brown at the age of 22, where I set at the front desk of my very first job, receptionist for Dr. E. c. Land. He never came into the office and stopped at the front window but always came to the side slide glass and greeted us all with the biggest smile I had ever seen. I too can agree that Mr. Brown would light up any room. Not knowing that I would someday need an attorney. When I entered his office, I asked as someone stated early this week, Do you remember me? His reply was you are all grown up now. He handled the situation in a manner in which I was ever so grateful, he said something to my son, which I will never forget, as he shared a picture of him and his mom with my son and I. Told my son that day, never let mama down because will always be there no matter the situation or the consequence. Dr. Brown and Derrick and the entire Brown Family, this man was a jewel to all that knew and encountered him and he will be truly missed. God Bless you and the family*

*Dear Hazel and Derek,  
We were very lucky to have been your neighbors many years ago and have fond memories of things shared with all of you. Earl was a big part of our neighborhood and definitely a joyful example of how to live and treat others. May he rest in peace and keep on 'Enjoyn'. God bless you all.*

*I have great memories of Earl at Burroughs Wellcome. You could always tell that he was in the vicinity by his big, booming voice. It was a joyful voice and he always had a great smile on his face and he related to everyone around him in a positive and uplifting manner. You always knew that he was happy to see you. The world was a better place with Earl in it and he will be greatly missed.*

*My condolences to his family.*

*Dearest Hazel,  
Mickey and I were indeed shocked to hear about the passing of our friend, Earl Brown. Earl was a dedicated member of the Elizabeth City State University Board of Trustees during our tenure, and a loyal friend as well. We will always cherish the memories of our times together and be grateful for the imprint he made on us and ECSU and the students he served.*

*We extend our deepest sympathy to you and your family, and pray for strength and comfort to face the difficult days ahead. God is able.*
