“Eddie A. White" (E-Dubb)

*All now that is left is the highest PRAISE. I sing, Hallelujah to the rock of ages. MY GOD did NOT FAIL! This is the story that I will always tell.
I know it ALL so very well.*

30 years, 360 months, 1,560 weeks & 10,950 days is what we all share.

25 years ago at D H Conley High School we formed a LIFETIME DYNASTY of FRIENDSHIP that we called "HotBoyzFamily" (HB Family) (Est 2000)

We have experienced highs, lows, success and failures. We have seen each other at the best in life and the worst of life. We have experience the joy of children, marriage, graduations, and now death. You are the first to leave the dynasty. We are overwhelmed with emotions and grief but I am reminded that grief is the final act of love but GOD's grace is sufficient because it will sustain us in the days and years to come. Death is swallowed up in Victory. E-DUBB, you fought the good fight, you kept the faith and there is a crown waiting.

You imparted something very special in our all lives and it is my sincere prayer that we all did the very same in return. As long as we have breathe, You will LIVE FOREVER...

Goodnight Eddie, Sleep well, we will see you in the morning..

WELL LIVED, WELL LOVED, WELL DONE!
