“ *My Uncle Tubie, he is the original just like Debra said. I remember what Uncle Tubie said to my daughter and myself one day. He politely said I want both of you to know that family is not always family some are just relatives. Didn't know exactly what Uncle Tubie meant but since then believe me I understand and know exactly what he meant by that. Rest Easy Uncle, love you forever ☞💕💕💕

“ *Our dear "One of a Kind" Uncle Toobie, will forever be fondly remembered as the one who speaks his mind and has something original and funny to say every time we saw him. There are so many things I will miss about him; however, each time I order a cheeseburger, I'll definitely think of him! I Thank God for the years HE Blessed US with him. Now, you can truly rest, Mr House...The Original, as he would say! Forever in our hearts. 💜*

My Uncle Tubey, like Debra said he was the original, he spoke his mind for sure. I remember this one thing he said to my daughter and myself at first I didn't get it, but now I understand exactly what he meant. He said family is not always family some is just relatives. And that's something that I never looked at until my Uncle said it and one I can say about that is he's absolutely right. I'm going to miss Uncle Tubie, but he's out of his pain and truly resting now. LOVE You Much Uncle, Rest Peacefully, GOD BLESS YOUR SOUL ❤️ You Will Be Missed 💕💕
