“ Mrs. Hagans was my 9th grade science teacher in the 87/88 school year. She was one of the kindest, smartest, most genuinely good teachers I ever had. I think of her from time to time and today was one of those days. I feel like I remember her talking about table tennis/ping-pong. She always made me feel welcome and comfortable. She made a lasting impression in all the best of ways. Sending Mrs. Hagans and her family all my best.
Sincerely,
Sarah Pearsall

“ Mrs. Hagans was my 9th grade science teacher. I loved going to her class. She was a great person. If I can be as good of an educator as she was, I feel that I will have done right by my students!

Sincerely,
