“ *My condolence to the family of Ms. Ella Mae Brady. I am a cousin and fellow church member at Willow Chapel, Gold Point Community.*

When I was an adolescent and visited my aunts, down the road from my house, they always talked of "Mae" who had gone off to the city to make a better life for herself. A special room was set aside for her and our instructions were to never touch anything because "Those are Mae's things". She was a private person--even in her absence.

Mae returned to Willow Chapel where her mother, aunts, uncles and cousins had all served. She eventually joined the choir, so I assume she was home at last.

Rest in Peace dear cousin. You will be missed.
