“ *We were neighbors across 4th street for about 17 years until we moved about a year ago. Mrs. Taft was always friendly and never failed to say hello or toot the horn of her town car with a wave as she passed by. Just learned of her passing this morning and wanted to leave a note for the family.*

“ The Board of Directors and all members of the Eppes High School Alumni Association send our heart felt condolences to the family of our dearly departed sister, friend, former financial secretary and treasurer, Francine.

There is a song that says some of our departed loved ones are "gone too soon." Even though Francine was granted 91 years of life on this planet, she is still gone too soon.

She was full of life, spunky, no-nonsense, direct and to the point, which endeared her to many and cause others to pause. To this board, we embraced all of those traits and talents and we are better for her sharing them with us.

Furthermore, she was an "original." One of the original members of the association, she served along with her deceased husband, in many capacities that helped maintain the existence of the association and to keep it moving forward.

Thank you seems so inappropriate for the countless contributions Francine made to this association over the years. But, that is all we have to offer: Thank you.

To the Taft Family, we know there are a million or more memories you have of your mother, grandmother and what she meant to you all. This board also has our own treasures left with us by Francine that will never be forgotten,

The Bible tells us that to be absent from the body is to be in the present of the Lord. This is comforting as we bid Francine a fond farewell, job well done, and may you rest in peace. We love you.

“ So sorry to hear about MsTaft. She was so uplifting and positive. When I last spoke with her she told me that she was having problems with eating and her family was treating her like she was a child. She said "I ain't no child". I told her that it's only because of how much she is loved that they were trying to take care of her. She said "I know"! She will truly be missed. Prayers for the family.

“ *Fran and I worked together at Sycamore Hill Missionary Baptist church. I have such fond memories of how she would make her famous punchbowl cake for my husband. I am especially devoted to the memories of how she embrace my daughter, Juan and how she and JB loved our son, Brook. Rest in the arms of Jesus, until we meet again.*

“ I'm sorry to hear the passing of Mrs. Francine. I had the pleasure of doing some home improvements that included painting her beloved kitchen. Her husband, the late Mr.J.B. gave me the greatest compliment by telling me I made his wife happy with my paint job to her kitchen. She a very nice lady and will be missed by so many people. She once told me she was the female version of her brother,the late Bo Nobles. I use to work for Mr. Bo. She had a great sense of humor. R.I.P. Sister Nobles!

There was so many memorable moments with Mrs. Francine, I would like to share the time when I stopped by The Gatlins on Ward St. She was there standing in the hallway, when I spoke to her, she said," I thought you were dead". I said no that was another James Staton, I'm so so sorry to disappoint you. We all laughed at my since of humor. I'm really going to miss her driving around in her beloved Lincoln Towncar. R.I.P. Mrs.Francine!
