“ I met Mr. Fairley when he came to work at what was known as Sadie Saulter Elementary School. He was a jokester and kept something going all of the time. We discovered that we had the same birth month and birth day! Whenever we would meet in the hallways of the school, we would wish each other a happy birthday! Family, my prayers go out to you at this most difficult time. I am so sorry for your loss! Our Lord, Jesus Christ will give you the strength you need to endure. He will give you peace. Keep your memories and hold them near and dear to your hearts.
