## Simple, Lovely, a Mother

The type of woman you could look up too, a name you couldn't forget  
Beautiful kids to give hugs too Oh, of a peaceful nature  
With her, how could you argue, with what seems like the most gentle hands  
ever

The type of woman one could never bring harm to  
Flower-like delicate, three angels made from one angel  
Molded with values and love, is how the aroha is painted  
Now embraced by the heavens, to you we all send our love  
To you and your beautiful girls.  
Now the whole world knows you were Simple, Lovely, a Mother.
