

Mr. Gerald James Wallace

May 28, 1953 - June 9, 2024

Gerald James Wallace was born May 28, 1953 to the late Murray and Annie Louise Woolard Wallace in Pitt County, NC. Having lived a full and productive life, he took his eternal rest Sunday, June 9, 2024.

He attended the public schools of Martin County and graduated from Robersonville High School in 1971. Cat Bird, as he was affectionately called, had a stint at Fayetteville State University, but decided it was not for him. He did some further studies at Martin Community College and as he continued his life's journey, he became a jack of all trades, and was a Master of MANY. He could tackle any job and would not stop until he figured it all out. Working on cars was his favorite past time. He was employed by Wand B and continued with NAPA and Walker Auto Parts. His tenure with them spanned over a period of 53 years.

Cat Bird had a big heart and was very generous. He loved his family and the love was reciprocated. His untimely passing leaves a void in the hearts of those who knew him. A diligent worker, he approached every task with enthusiasm and commitment, leaving a lasting impact on his colleagues and community. His kindness and generosity knew no bounds, touching the lives of many. Though he may be gone, his legacy of hard work and compassion will continue to inspire us all.

To relish in his legacy, Gerald James Wallace leaves his brothers, Reginald (Betsy) Wallace of Williamston, NC, and Kenneth (Cathy) Wallace of Robersonville, NC; sisters, Carrie Marie Goss and Veronica Rose of Flint, Michigan, and Cynthia Worsley (James) of Robersonville, NC; a god daughter, Diamyn Ford (Tyrin) of Lexington, NC; two uncles, Benny Frank Wallace of Everetts and Elton Wallace (Louise) of Hassell, NC; two aunts, Gloria Wallace and Doris Wallace of Everetts, NC; several special and dedicated friends, several nieces, nephews, and other relatives.

“ *It saddens me to hear of Gerald's passing. Many years ago, Gerald and I were co-workers at W&B Auto Parts. But we were much more than co-workers. Gerald was a friend that you could always count on. It's a shame time and miles apart can cause one to lose contact with true friends. I left W&B many years ago and only saw Gerald a few times, as I moved away from Williamston. Hearing of Gerald's passing, I have reflected on some of the wonderful memories I have of Gerald.*

I want to give my condolences to Gerald's family and many friends. May Gerald rest in peace.

A friend from years gone by.

I have to admit that for a while my heart ached badly. But when I remember you as "Bud" and as "Catbird" and as one of my two best buddies, my heart smiles again. Surely you will put a smile in GOD's heart too. Still loving you, Buck.
