

Ms. Gertha W. Crumpler

September 19, 1950 - December 3, 2023

Gertha Mae W. Crumpler was born on September 19, 1950, in Wilson, North Carolina to Jessie Bell Williams and William Henry Vick. She was raised by her mother and James “Buddy” Williams who was a loving father to Gertha. She went home to be with the Lord on December 3, 2023.

Gertha graduated from Charles H. Darden High School in Wilson, NC and attended Livingstone College in Salisbury, NC before beginning her career at North Carolina National Bank in Greenville, NC, which later became known as Bank of America. She enjoyed a 42-year career with Bank of America where she worked in Greenville, Wilmington, and Charlotte, NC before retiring in 2020. Throughout her career, Gertha discovered many incredible blessings, both professionally and personally, as she “was able to meet, assist, and work with some absolutely amazing co-workers, customers, and clients for many years.” Her exceptional service and care are still talked about by many who experienced what amounted to Gertha living out her purpose and calling.

A long-time resident of Greenville, NC, she was a dedicated member of Cornerstone Missionary Baptist Church where she was a member of the Young Adult Choir, the Board of Evangelism, and Sunday School. Wherever she served, the testimony about Gertha was always the same: She embodied the love of Jesus in her words and actions. No one left her presence without feeling loved and valued.

After relocating to Charlotte from Wilmington, NC, Gertha became a member of Friendship Missionary Baptist Church. She was a faithful and cherished member of the Empowered Disciples Sunday School Class and never failed to reach out to fellow class members with cards, texts, and encouraging phone calls.

Gertha's faith was her firm foundation, and she nurtured her family with the same love and care. A proud mother of three sons, Gertha was ardently supportive. She attended sporting events and musical performances faithfully and joyfully. She was an adored grandmother of six grandchildren, each of whom she cherished deeply. In addition, her warm and caring nature earned her the name "Mama Crump" from her sons' classmates, teammates, and from her colleagues across the state.

Gertha was a bold prayer warrior, and her prayers and wise counsel uplifted family, friends, and even acquaintances. She never met a stranger! Her life was a tapestry woven with threads of gratitude and grace. Without exaggeration, it is impossible to know the countless lives Gertha touched.

Gertha's legacy is one of love, a life well-lived in the service of others, and a faith that never faltered. She was a connector, a unifier of hearts and souls, always bringing people together in love and fellowship. Her smile reflected a blessed life, and her optimism was a light in every situation. Her voice, always resonant with joy and hope, will echo in the hearts of those she leaves behind to cherish her memory.

Gertha was preceded in death by her maternal grandmother, Gertha Smith Wilkerson; her mother, Jessie Bell Williams; her biological father, William Henry Vick; and the man who raised her as his own, James "Buddy" Williams.

Gertha is survived by her three sons, Carlester T. Crumpler (Yarid) of Marietta, GA, Algernon D. Crumpler (Jennifer) of Suwanee, GA, Bryan A. Crumpler of New York, NY; siblings, James Williams, Jr. (Lois), Ronald Lee Williams, Jessica Ann Williams, Gaynell Williams, Barbara Farmer, Carlton Best (Gwen), Andrea Colette Best, and Jessie Junior Thompson, all of Wilson, NC; six grandchildren—Kendal, Ava, and Campbell Crumpler of Suwanee, GA and Sophia, Natalia, and Joshua Crumpler of Marietta, GA; one niece, TaMia Mendez (Tony) of Acworth, GA; four nephews, Daryl Williams (Salena) of Marietta, GA; Mario Hinnant (Nicole), JaRon Williams, and JaMarius Williams, all of Wilson, NC; and a host of extended family members and friends.

As we bid farewell to this extraordinary woman, we are comforted by the knowledge that her spirit lives on in the lives she touched. She was a gift to us all, and we are eternally grateful for the time we shared with her. Gertha's memory will be cherished, her lessons will continue to guide us, and her love will forever be a beacon in our lives.

Rest in peace Mom, Sis, Sister, Gert, Gertha, Grandma Gertha, Aunt Gert, Cousin, and Mama Crump. Your life was a beautiful reflection of God's love, and your legacy will continue to inspire and uplift us all.

I'm at a loss of words. I am so very sorry grateful that I got to know Ms. Gertha. I am just now being made state that she has passed. Gertha was like a 3rd Mom to me and I enjoyed every minute of knowing her. After she retired, she would still send me a random text message that I still have to this day. Rest in Power Gertha. Thank u for loving on me.

“ *Mamma Crump,
I can call her that since her son Carlester and I were college roommates, our mothers became close friends! There were so many fond memories of dinners in her home and her being there in many ways for me and my wife over the years. I truly miss you and still have the many text messages and cards you sent for encouragement and support. My family is grateful to have had you in our lives. Your legacy of love, kindness, and support to all you encountered will live on.*

“ *Still missing my Charlotte Mom, Momma Crump. I have been blessed to have dreamed of her several times since her passing and not once was it sad. I attribute it to the fact that we shared so many great memories that it's rare to find ones that were not so great. She poured so much into me during our 20 year friendship... she loved me and my family unconditionally, gently corrected me, taught me how to be a woman of integrity and how to lead with generosity... just to name a few. She was my Titus 2 woman. I have not been able to delete her number from group messages because it takes me back to the day she sent them. Funny thing is, the same feelings that I had the when she initially sent them, come back with each re-reading. What a time we had... celebrating life together! I don't cry as much ... I smile :-). Gertha's smiley face!*

“ My dear Gertha, you were one of the kindest, caring, genuine people I’ve ever been privileged to know. We worked together at the bank for a while and remained friends over the years since staying in touch regularly. It always made my day to receive an encouraging text from you, with the great Memoji your granddaughter made for you. We would chat and pray for each other. I’m so saddened to hear about your passing; however am confident your pains are gone and you’re rejoicing in the Lord’s presence. My dear friend, you will always have a place in my heart.

“ *In loving memory of a remarkable soul,*

Honoring the life of a truly extraordinary individual who touched the hearts of all who were fortunate enough to know her. She was not just merely like a mother to me, but a guiding light, a nurturing presence, and an endless source of inspiration.

She always embraced with a tenderness that knew no bounds. Her love was a constant, unwavering force that provided comfort, strength, and unyielding support. With her guidance, she imparted wisdom and warmth, weaving a tapestry of memories that will forever enrich our lives.

As a counselor, her wisdom and insight were unparalleled. With a compassionate ear and a perceptive mind, she offered guidance and solace in times of uncertainty. Her words carried the weight of experience and empathy, providing reassurance and clarity to those in need.

Though she may no longer be with us in body, her spirit will live on in the countless lives she touched. Her legacy of love, wisdom, and inspiration will continue to guide us, shaping our paths and illuminating our hearts.

May we find solace in the memories we hold dear, and may her legacy serve as a testament to the profound impact she had on all of us. We will forever cherish her presence, her kindness, and the immeasurable love she shared with the world.

Rest in peace, dear friend, mother, counselor, and inspiration. You will forever hold a cherished place in our hearts.

“ *I thought I was somewhat special but reading through all these post, I see how very, very special Gertha was to so many. When I was recovering from my heart surgery six years ago, Gertha would send me text messages of prayer and encouragement. That text thread continued on until November 27. I am missing her so much. Our Sunday school class won't be the same without you. Rest in peace and my sister.*

Gertha was loved, especially by me. I know she will be missed by her loving family. She shared many stories about them. They were her life. I shall miss my friend but I know I will see her again in Heaven. I will miss her texts. She would send a text of encouragement right when I needed it most. Gertha is now in the presence of our Savior, exactly where she wants to be.

Again, much love and prayers for the family.

“ On behalf of the NJ Brown family we extend our most heartfelt condolences to the family of Gertha. We came to know "Auntie Gertha" through her best friend and "Sister" Lola Thompson. Aunt Gertha took the time to send heartfelt words of encouragement to the family along with birthday greetings and simple hello or have a nice day. Hearing the news of her sudden passing has left a hole in our hearts. We all send our thoughts and prayers to the family. May God receive her beautiful spirit with open arms. To be absent from the body is to be present with the Lord. Go and take your rest "Auntie" job well done on this side of heaven.

“ My Dear Friend and Soror Gertha will truly be missed. I'm very honored to have had the pleasure of meeting her the first time at the Spectrum Center as a season ticket holder for the Hornets. I remember the beautiful smiles and warm hugs myself and team members would always get when she arrives and meeting her different family & friends she would bring to the Hornet's Game. Our friendship grew so strong over the years that we would text each other during the pandemic, after each Hornets games, and during the holidays. It was like she was part of the Family and she was there for me when my Mother passed 2 years ago. As I read her last text to me on November 25, tears roll down my face reading the words she texted "I am doing alright, as I pray that your family and you all are". “ During my Carolina days, Mama Crump shared so much love with me and my friends (Carol and Ebony). We saw her at every home football game as she supported Bryan and Alge. She is their biggest cheerleader with the largest heart..and sometimes the loudest screams. We loved spending time with her and getting one of her amazing hugs. It's so easy for people to be unkind or unfriendly; however, she always had a kind word, a huge smile and a warm heart. She treated so many strangers like family. She is loved immensely and will be missed greatly. Praying for all of her family & close friends during this time.

“ Gertha and I worked together at the bank and remained dear friends after her retirement. She never missed my birthday or other special days. We just spoke by text a little over a week ago. My deepest condolences to you all. I pray comfort to your hearts. Your mom was a special treasure and loved by many. She was my work Mom for many years and I cared very deeply for her. ~Adrienne Castle

My remembrances of your mother go back many years to our days at Cornerstone MB Church. She was a strong woman of faith who was kind and gracious.
May the grace, peace and comfort of the Holy Spirit continue to be with you now and in the days ahead.
