“ *I am at a loss. I just found out about my Gessi Mae and my heart dropped. She as a shining light, even back in middle school. I met her as her assistant principal and she quickly become one of my "daughters." I remember our lunches together, our book reads, and her interest in Marine Biology. I was then blessed to meet her no-nonsense sister Akevia, years later. Prayers to Ms. Harrell, Akevia and her precious babies. I have no words. Just know I am praying for you all. Rest in peace Gessi. Love and prayers to the family.*
