“ *I just recently heard of the passing of Miss Gloria. I knew her when she worked at Martin General Hospital and Brody School of Med. Miss Gloria was such a sweet lady, always and I mean always greeted me and everyone else with her beautiful smile. Everyone was her friend. She never spoke unkindly about anyone. It was such a blessing to know her. My thoughts and prayers to all those that loved her.*

“ *SEANC District 63 missed you when you left SEANC to venture on to something else. We will miss you even more. Thank you for signing me up with SEANC District 63. I remember the day like it was yesterday. Your dad was in the Nursing home and I met you there. I had a chance to visit with Deac and talk to you about SEANC. I will never forget it. I've known you practically all your life and I must say you were the same...beautiful inside and out. Keep smiling. My condolences to the Evans/Highsmith family. May God give you the strength you need to go on. R.I.P. 🙏💙*

“ *There are too many, but my favorite was when we went to go see the first Batman movie, when Joker said He took my ballon's, and the part he said , Just where does he get the wonderful toys, we laughed till tears rolled down our face, she was my secret keeper and I hers, I know she wouldn't want me to shed tears but we were too close, connected at the arm, partners in crime. Casper next to God, you were the best for her, now I will say, you taking her to Hawaii was a bit much lol just kidding, but we are family, watching her taking care of everybody, reminded me of my mom, her aunt Sadie them two Whew! Love you family,*
