“ A visit to Aunt Jean’s was like coming back home, she treated all of the nieces & nephews with the same love as she treated her own kids. Aunt Jean was always cooking something good! sitting and talking about what was going on in our lives. Always positive, seeing the best in people, believing anyone deserved a second chance. The way you welcomed people into your home and into your heart positively influenced me try to do the same. “Love you Aunt Jean”, your nephew Eric

“ *My dearest Brother, nieces and nephews,*

I am so sorry that i am not able to be by your side as you mourn the passing of your wife, mother, grandmother, best friend--our beloved Gloria. COVID19 travel restrictions and other constraints preclude my ability to be with you. Nevertheless, my heart is there and our Lord and Savior is there! We thank the Lord for the years He allowed us to share Gloria's life, and will forever treasure precious memories of her.. We also thank the Lord that as Believers, we do not have to mourn Gloria's passing as those who do not know Him--she is now resting in the mansion that has been prepared for her. So we now celebrate a life that was well-lived! May you sense God's presence and His everlasting love in the days and years ahead.

Love you!

*Your Sister/Aunt
