“ *William B. Wilson and Wilson family. Greg and I grew up together. We first met as cub scouts member during the mid 60's. My father was scout master and Mrs. Gaynor was a den mother. We later joined the boy scouts, and our parents enrolled us in the summer day camp junior high school 43. Greg and his brother Morris was a member of Riverside Church youth dept. which my brother and I also joined. Everyone loved being around both of us because we were both comedians which kept everyone laughing. We also played football for the Riverside Warriors in 1972 when we went 9-0 and became Champs. Greg loved coming to my 4th of July cookout when he would rent a car and drive north to my house. My dear friend Greg will truly be missed. I know he is in a better place right now looking down on us with that big smile that would light up a room. Blessing to the Gaynor family relative and friends.*
