“ Sharon Stewart Muhammad - When Uncle Harold came to visit with our family (his sister Carrie Brooks Stewart) and her family in Coney Island, Brooklyn, NY, we always had a good time. He loved the amusement park. He loved to laugh and tell us jokes. He always wanted to learn the latest songs and dance moves, lol. He had a good time hanging out with my brothers, especially Freddy. He was the life of the party! He had an amazing memory and the ability to recall names, dates, and past events with ease. I had an opportunity to speak with him on the phone a few times and was extremely happy to see him at our family reunion in Plymouth a few years ago. He was much loved and will be truly missed but never forgotten. May God be pleased with his servant.
