“ It is with great sadness that I am writing about the passing of Henry Hill. Henry came into my life when I was in the third grade, and the life lessons he taught me are ones I will never forget.

*He was an excellent provider who always had a funny story to tell or a humorous, made-up song to sing. While I did not fully understand his realistic approach to life at the time, I now truly appreciate the wisdom he shared.*

*Henry will be deeply missed. I hope he is sharing his jokes with our loved ones on the other side.*

*Respectfully,*

*D'Andrea Walker*
