“ Hi, My name is Kendall Mayo.
I wise to send my condolences to the Smallwood family. I worked with Horace at Barnhill Contracting Company for the past 20 plus years. Horace and i were very good friends and i will miss him greatly . He was a truly great man, hard worker and friend. He always had a great smile and a good outlook on life. He would often talk about his family and how important it was to have a close relationship with family. Horace old friend i can still hear that laugh. That laugh brought us through a lot of hard hot days. So my friend rest and be with the lord until we meet again. Your friend Mayo!!

“ Hello my name is Angela Arrington a coworker of Horace and my condolences go to his family , Monday was the hardest ride to work knowing he wasn't going be there because when we get to the job WE LOOK FOR HIM OUT THE GATE he taught me everything I know about asphalt and backing of a dump truck when Horace wasn't there everyone stress level goes up because no one had patience like him with u dumping, when u were nervous he would surly claim u and tell u I got u , and whenever a new driver started I would assure them no worries Horace got u , I never forget my first mistake is because me and him were laughing about the weekend that Monday and he told me to go up and it was a older truck that if u don't stop it manually it keeps going up and I dump a whole load of asphalt in paver and on ground, I was scared that the supervisor would be upset he said no worries I'll take blame and we were forever partners , I had no other mistakes at paver until this last couple of weeks because I'm nervous cause he's not there but I hear his voice telling me U GOT IT , I done taught all u need to know my heart hurts some kinda bad because he was truly a friend first a coworker second , I don't know if I can do this without u my friend I love and and going miss u 💔
