It is with deep regret that I will not be in attendance for the service tomorrow due to my illness. There are no words that I can express that will state the devotion and love that my family and I had for Rev.Dr. H.W.Parker. He was the brother that I never had biologically. He was the comfort that I knew that would always be there. 50 years of unselfishness. My heart is broken but his rest is needed. Thank You for your service from childhood to an adult in the name of our Lord and saver Jesus Christ. Now when I think of you I include my sister and parents because that circle is close to completion. Your LOVE will never die. Love You forever. La Verne, Andrea and Kelly love and peace. God never makes a mistake just add to the angels that protect us from day to day. Friday and Benson family (Winston-Salem,NC)
