“ To Hubert's Family,

I worked at Greenville Women's Clinic for over 20 years. I was always there late in the afternoon doing paperwork when Hubert came in to check on his crew. He never failed to walk back to my office to ask me how I was doing. He was always there to help when we needed him. He worked hard at everything he did and was always so pleasant I don't think I ever saw him without a smile on his face. Although I've been retired from Physicians East for three years, Hubert's smiling face has always been one of the things I miss most. I lost my mother in November. I've always heard time heals all things. I think time just makes loss a little easier to live with. Please know that Hubert was loved and appreciated. I hope that your faith brings you comfort and peace.

*With love,

The last time I saw you was @ Tula's food truck off of Memorial Dr. You greeted me with That infectious smile. I've always admired that bond & friendship that you & your husband have. Black love is a beautiful thing & I'll be sure to apply the nuggets I've learned from you. I'm asking God to give you the strength as you take a final glimpse as you lay your husband to rest.
