“ I am so sorry to hear about Pastor Walston passing. My late father, the Rev. Elbert B. Williams would have been so proud of him for the great work that he has done as pastor and leader in the community. My father ordained him many years ago when my father pastored at Philippi Church of Christ in Greenville, NC. The Williams family, Nell, Chanelle, and Trishelle will keep the Walston family in our prayers that God will continue to comfort and strengthen. Stay strong.

“ *Rev: Hue Walston,  
Has been known by the Clemons family for many years as we as children grow up almost in the same location and attended the same schools. As years passed things grew as well, as the Walston family remained in close connection. Hue pastored at my Mother's church, Saint Peters Baptist Church. The Walston name remains so dear to my heart and will forever continue too. May you rest in peace my brother in Christ Jesus. You will be missed by many but, one thing for sure, you have surpassed all earth's understanding.*

*Rev Hue Walston was my brother in law. He was still family. We are all going to miss him dearly. I thank God for Hue. He had a loving and caring Heart. God call him on home. So to be absent from the body is to be present with the Lord. He will be greatly missed but he's in a better place. I send my condolences to his family, with love, my deepest sympathy and lots of prayers. Patricia Cooper*
