The Board of Directors, members, friends and supporters of the Greenville Industrial - C. M. Eppes High School Alumni Association, send our deepest condolences to the family of Dr. Artis. Another of our community giants and celebrated graduates has completed his earthly calling and gone from warrior to reward. Dr. Artis heard his calling and acted on it in an outstanding manner for many decades. The health care and concern he gave to multitudes of Greenville and Pitt County patients and others across North Carolina and beyond, is in itself commendable and we are thankful for it. His support of this association was exhibited in monetary, in advise, and in giving of his time and talents when called upon. He will be missed.

To the Artis family we say look to the hills from whence cometh our help, for our Lord and Savior Jesus Christ knows our every need and will supply as promised. He said He would never leave us nor forsake us. Lean on Him, He will carry you through.

Respectfully,

*James Harper, Jr. '06
National President*
