“ My prayers are with J.T’s family. When he first moved to Albany, GA. A girl named Lou was our hair stylist. We laughed and talked each time we were there at the same time. Rest in peace and power friend.

“ JT. You will be truly missed. I remember the nights after the club closed, we used to sit at the bar and laugh and talk. It was me, Donna, Alonzo, BruBru and you. We had fun. You was always cracking up on someone even me sometimes. Let's not forget the wine drinker. Take your rest my friend.

“ Family, my heart is saddened with the passing of James. He was a proud member of the 1973 graduating class of D.H. Conley High School. James was mostly a quiet person but there were times he would come out of his shell. He was very neat and dressed well. I had not seen him since high school. Family I will keep you in my prayers. Our Lord Jesus will give us strength to go through in this season. Trust Him and He will give you that peace that surpasses all human understanding.

Dear family, I'm so sorry to hear about the passing James. My heart goes out to you and your loved ones during this time. Although it has been many years since we spoken, the memories of our times in high school remains dear to me. I am grateful for the friendship we shared. May your memories of the time you spent with him bring you much comfort and peace during this difficult time. My deepest condolences.
