“ Oh What A Friend I Had In Dr. Janet Bullock Spiritually, and as an Educational Mentor. She and her sister, Juanita shared in many of our family gatherings (birthdays, family reunions, graduations etc.). I think our families connected because of our make-up; she had 2 sisters and a brother like me. Dr. Bullock and her sister would always affectionately speak of Junior and Mary, just as we spoke of our brother and wife. There were many times when Prayer was cultivated around all children, either in school or traveling. We will continue to cherish those memories, as God Comforts you with His Peace during this time of sorrow. Prayerfully Submitted.

“ To Sister Juanita, Deacon Daniel, Deaconess Mary, the Chadwicks and other family members. Please accept my deepest condolences for the loss of Dr. Bullock. From the times we talked, she was a woman who took her faith seriously. Her love for the Church was deep and she was one who spoke her mind and stressed the fact that she would not tolerate foolishness. Family, trust God in times like these. He knows what tomorrow holds. He will take care of you and hold you up with peace and love. My prayers are with you all as you navigate your lives going forward. We know that being absent from the body means being present with the Lord.
