“ *I grew up with Janice on Willoughby Ave... She was Tanya's big sister so she was my big sister! I loved her laugh and I would make her laugh so I can hear her say " This girl is crazy just crazy for no reason" You need help!!! When I first taste her "Corn Stuff" that's what I always called it... I could not get enough of it! But everytime I ask her to make her "Corn Stuff" she would shake her head and say " I will make it for you crazy girl!" I'm going to miss her so much!*

“ *To the Rodman/Griffin family, I ask my Heavenly Father to comfort you in this most difficult time. Janice was not just my friend but my sister. For almost 30 years we've shared tears but most of all laughs. The thought of not hearing her voice breaks my heart. I won't say goodbye to her but rather I will see you again. It is then we will pick up on those laughs that made us the good friends/ sisters we became. I love you all dearly, and will always be a part of your life. With all my love. Evelyn V. Manley.*

“ Janice was my best friend and cousin. I miss you more than words can say. Our late night phone calls, we would talk for hours about everything. I miss coming in from and rushing to send you a text or call to wish you happy birthday. Your response, "Thank You Cuz, I love you. We got to talk soon". You were the sweetest person and they same everything time we spoke. I chose you to be Corey Godmother for a reason. This is not good bye but farewell until we meet again. I love you JP
