“ I'm sending my condolences to Chauncey and the family. To be absent from the body is to be present with the LORD. May you have comfort in all the happy and loving memories you've shared with your Mom. God has now called her home and you will miss her dearly but be comforted by the way you cared for her. She embodied what it was to be a Mother and gave all she had to and for her children. Heaven was truly missing an Angel.

Love Always ,
